KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT?</p> <p>The value of the ILP sub-fund may rise or fall. The following key risk factors may cause you to lose some or all of your investment:</p>	<p>Refer to "Risk Factors" of the Underlying Fund's Singapore Prospectus for further information on risks of the sub-fund.</p>
Market and Credit Risks	
<p>You may be exposed to Currency Risks</p> <ul style="list-style-type: none"> • Foreign currency exchange rate movements are likely to influence the returns to investors in Singapore, hence investors may be exposed to exchange rate risks. <p>You may be exposed to Emerging and Frontier Markets Risks</p> <ul style="list-style-type: none"> • The Underlying Fund may invest in one or more emerging and frontier markets and may be subject to a higher than average volatility than investing in more developed markets due to greater political, tax, economic, social, foreign exchange, custodial, liquidity, regulatory or other risks. <p>You may be exposed to Foreign Investments Restrictions Risks</p> <ul style="list-style-type: none"> • Some countries prohibit or restrict investment, or the repatriation of income, capital or the proceeds from sale of securities. The Underlying Fund may incur higher costs investing in these countries. Such restrictions may delay the investment or repatriation of capital of the Underlying Fund. <p>You may be exposed to Limited Market Sectors Risks</p> <ul style="list-style-type: none"> • The Underlying Fund's investments are concentrated in the gold and precious metals sector, which may include investments in commodities-linked exchange traded funds. This may subject the Underlying Fund to greater volatility and more rapid cyclical changes than more broad-based investments. <p>You may be exposed to Equity Risks</p> <ul style="list-style-type: none"> • The values of equities fluctuate daily and can be influenced by many factors including issuer-specific factors and broader economic and political developments. 	

Liquidity Risks									
The ILP sub-fund is not listed on the Singapore Exchange and you can redeem only on Business Days through Singapore Life Ltd. In respect of Singapore investors, there is no secondary market for the ILP sub-fund.									
Product-Specific Risks									
<p>You may be exposed to Derivatives Risks</p> <ul style="list-style-type: none"> The use of derivatives may expose the Underlying Fund to a higher degree of risk. Derivative contracts can be highly volatile and a relatively small market movement may have a potentially larger impact on derivatives than on standard bonds or equities. Leveraged derivative positions can hence increase the Underlying Fund's volatility. The Underlying Fund may sustain loss as a result of the failure of a derivatives counterparty to comply with the terms of the derivatives contract. <p>You may be exposed to Smaller Capitalisation Companies Risks</p> <ul style="list-style-type: none"> The Underlying Fund may invest in small cap companies. Such investments may have higher than average volatility and liquidity risk. <p>You may be exposed to the risks of Commodities accessed via ETFs</p> <ul style="list-style-type: none"> An ETF tracking a commodities index can be highly concentrated on selected commodity futures, which may subject the Underlying Fund to higher volatility.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP sub-funds will be priced based on the frequency of the fund manager's pricing. The fund prices are updated daily and are available at Singapore Life Ltd.'s website at www.singlife.com

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP sub-fund by submitting a request for withdrawal or fund switching (i.e. switches) to Singapore Life Ltd.
- If your Policy is newly inceptioned, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Singapore Life Ltd. at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
- Upon cancellation of the Policy, Singapore Life Ltd. will refund the premiums you paid (without interest) after deducting the expenses incurred in issuing the Policy. The refund will be made after we receive the original Policy for cancellation.
- If there has been a decline in the market value, we will deduct the amount necessary to reflect the change in market value. If there has been an increase in the market value following the date Singapore Life Ltd. accepts your request to cancel the Policy, we will not pay you for such increase or any gain.
- For subsequent withdrawal/surrender or fund switching, transaction requests will need to be received and accepted by Singapore Life Ltd.:
 - before 12 noon (Singapore time) on a Business Day will be processed according to the Unit Prices of the relevant Funds and the exchange rates (if applicable) prevailing on the next appropriate Fund Valuation Date following the day Singapore Life Ltd. has accepted the request.
 - after 12 noon (Singapore time) on a Business Day or on a non-business day will be considered as if received before 12 noon (Singapore time) on the following business day.
- The ILP sub-fund will have a single "dealing" price used for all switches and withdrawals/surrenders. There is no bid/offer spread.
- All ILP sub-funds will be priced based on the frequency of the fund manager's pricing policy. As Units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application. This cut-off time stated is correct as at the time of print. Singapore Life Ltd. reserves the right to change the cut-off time by giving you thirty (30) days' prior notice or any such shorter period of notice as Singapore Life Ltd. may agree with the relevant authorities.
- The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows:

For a partial withdrawal request of 1000 units of an investment-linked fund.

 - Assuming the unit price of the fund is S\$1.50:

The amount payable to the policyholder will be S\$1500, which is calculated as 1000 units x S\$1.50.

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information.
