KEY FEATURES OF THE SUB-FUND

WHAT ARE YOU INVESTING IN?

- You are investing in a ILP sub-fund that feeds 100% into Schroder International Selection Fund China Opportunities Acc SGD Hedged (the “Underlying Fund”), a sub-fund of Schroder International Selection Fund (“Schroder ISF”).
- Schroder International Selection Fund is an umbrella structured open-ended investment company with limited liability in Luxembourg, organised as a “société anonyme” and qualifies as a Société d’Investissement à Capital Variable (“SICAV”) under Part I of the law on undertakings for collective investment dated 17 December 2010, as amended from time to time.
- The Underlying Fund aims to provide capital growth in excess of the MSCI China (Net TR) index after fees have been deducted over a three to five year period by investing in equity and equity related securities of Chinese companies.
- Accumulation Shares accumulate net income received from the Underlying Fund’s investments, meaning it is kept in the Underlying Fund and its value is reflected in the price of the Shares.
- Hedged Classes aim to provide you with the performance returns of the Underlying Fund’s investments in the Underlying Fund’s base currency (USD) by reducing the

Refer to the “Important Information”, “The Fund”, “The Sub-Funds” and “Investment Objectives and Strategies / Product Suitability” Sections of the Underlying Fund’s Prospectus for further information on features of the sub-fund.

¹ For ILP sub-fund that feed 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

² In order for units in the ILP sub-fund to be classified as Excluded Investment Products, the investment objectives and investment focus of the ILP sub-fund, and investment approach of the manager have to be stated in the product summary:

- to invest only in deposits or other Excluded Investment Products; and
- not to engage in securities lending or repurchase transactions for the ILP sub-fund.

The definition of “Excluded Investment Product” can be found in Annex 1 to the Notice on Recommendations on Investment Products [Notice No. FAA-N16] at <https://www.mas.gov.sg/regulation/notices/notice-faa-n16>

Product-Specific Risks

You are exposed to counterparty risk.

- The counterparty to a derivative or other contractual agreement or synthetic financial product could become unable to honour its commitments to the Underlying Fund, potentially creating a partial or total loss for the Underlying Fund.

You are exposed to China country risk.

- Changes in China’s political, legal, economic or tax policies could cause losses or higher costs for the Underlying Fund.

You are exposed to currency risk.

- The Underlying Fund can be exposed to different currencies. Changes in foreign exchange rates could create losses.

You are exposed to derivatives risk.

- The Underlying Fund may use derivatives as part of the investment process. The use of futures, options, warrants, forwards, swaps or swap options involves increased risk.

You are exposed to emerging and frontier markets risk.

- Emerging markets, and especially frontier markets, generally carry greater political, legal, counterparty and operational risk.

You are exposed to equity risk.

- Equity prices fluctuate daily, based on many factors including general, economic, industry or company news.

You are exposed to leverage risk.

- The Underlying Fund uses derivatives for leverage, which makes it more sensitive to certain market or interest rate movements and may cause above-average volatility and risk of loss.

You are exposed to Shanghai-Hong Kong/Shenzhen-Hong Kong Stock Connect risk.

- The Underlying Fund may be investing in China A-Shares via the Shanghai-Hong Kong Stock Connect and Shenzhen-Hong Kong Stock Connect which may entail additional clearing and settlement, regulatory, operational and counterparty risks. These risks may include risks associated with the Small and Medium Enterprise board, the STAR Board and/or the ChiNext.

You are exposed to risks regarding RQFII Status.

- The Investment Manager’s RQFII status may be suspended or revoked and this may adversely affect the Underlying Fund’s performance by requiring the Underlying Fund to dispose of its securities holdings.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP sub-funds will be priced based on the frequency of the fund manager’s pricing. The fund prices are updated daily and are available at Singapore Life Ltd.’s website at www.singlife.com.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP sub-fund by submitting a request for withdrawal or fund switching (i.e. switches) to Singapore Life Ltd.
- If your Policy is newly incepted, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Singapore Life Ltd. at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
- Upon cancellation of the Policy, Singapore Life Ltd. will refund the premiums you paid (without interest) after deducting the expenses incurred in issuing the Policy. The refund will be made after we receive the original Policy for cancellation.
- If there has been a decline in the market value, we will deduct the amount necessary to reflect the change in market value. If there has been an increase in the market value following the date Singapore Life Ltd. accepts your request to cancel the Policy, we will not pay you for such increase or any gain.
- For subsequent withdrawal/surrender or fund switching, transaction requests will need to be received and accepted by Singapore Life Ltd.:
 - (a) before 12 noon (Singapore time) on a Business Day will be processed according to the Unit Prices of the relevant Funds and the exchange rates (if applicable) prevailing on the next appropriate Fund Valuation Date following the day Singapore Life Ltd. has accepted the request.
 - (b) after 12 noon (Singapore time) on a Business Day or on a non-business day will be considered as if received before 12 noon (Singapore time) on the following business day.
- The ILP sub-fund will have a single “dealing” price used for all switches and withdrawals/surrenders. There is no bid/offer spread.
- All ILP sub-funds will be priced based on the frequency of the fund manager’s pricing policy. As Units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application.
- This cut-off time stated is correct as at the time of print. Singapore Life Ltd. reserves the right to change the cut-off time by giving you thirty (30) days’ prior notice or any such shorter period of notice as Singapore Life Ltd. may agree with the relevant authorities.
- The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows:
 For a partial withdrawal request of 1000 units of an investment-linked fund.
 - Assuming the unit price of the fund is S\$1.50:
 The amount payable to the policyholder will be S\$1500, which is calculated as 1000 units x S\$1.50.

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/ Surrender and Free Look sections of the Product Summary for further information.
