Important notes

1. Singlife Whole Life Choice covers death and Terminal Illness for whole of life. Upon diagnosis of Terminal Illness of the Life Assured, Singapore Life Ltd. will pay the Terminal Illness Benefit as an advance payment of the Death Benefit, less any amount owing to Singapore Life Ltd., in one lump sum.
2. Singlife Whole Life Choice's Base Cover accumulates guaranteed and non-guaranteed cash value from the start of the third policy year, as long as the premiums are paid up to date. The non-guaranteed cash value is accumulated in the form of Reversionary Bonus (declared annually) and Terminal Bonus, and will depend on the performance of Singapore Life Ltd.'s Participating Fund. Please refer to the Product Summary for more details.
3. Singlife Whole Life comprises a Base Cover and an Additional Cover. It offers a choice of 100%, 200%, 300% or 400% of the Base Sum Assured for the Additional Cover of the basic plan. The chosen Additional Cover percentage is also applicable to the Additional Cover of optional riders, such as the Total and Permanent Disability Advance Cover V, Critical Illness Advance Cover VI and Early Critical Illness Advance Cover VI, if they are attached to the plan. The Total Sum Assured of this plan is the sum of the Base Sum Assured (Base Cover) and the Additional Sum Assured (Additional Cover). The Additional Cover will start from policy inception and gradually reduce by 12.5% every policy anniversary from when the Life Assured attains the chosen Additional Cover Age of either age 65, 70, 75, 80 or 85. Thereafter, the Life Assured will continue to enjoy coverage without Additional Cover. Please refer to the Product Summary for more details.
4. The Policyholder may exercise the Life Stage Withdrawal Benefit to withdraw accumulated reversionary bonuses without charges, subject to the following conditions: The option can be exercised up to two times during the lifetime of the Life Assured, provided that the life stage event occurs before the policy anniversary when the Life Assured reaches age 65 at the next birthday. The application must be submitted within 90 days of the life stage event. The minimum withdrawal amount is S\$1,000 (in multiples of \$10) or the available balance. This option is not applicable if the basic policy has been converted to Reduced Paid-Up (RPU) or Extended Term Insurance (ETI). Eligible life stage events include:
 - a) any change of marital status of the Life Assured (i.e. marries, divorces or is widowed)
 - b) the Life Assured becomes a parent by having a newborn child, or legally adopts a child (i.e. adding a new child member to the Life Assured's immediate family)
 - c) the Life Assured purchases a property
 - d) the Life Assured or Life Assured's child enrolls into tertiary educationPlease refer to the Product Summary for more details.
5. Retrenchment Benefit is available once per policy for Life Assured aged 17 or older, waives premiums on the basic policy and all supplementary benefits for up to 12 months after the Life Assured is involuntarily unemployed for three consecutive months. The application must be submitted within six months of unemployment, and proof of job termination or closure (for self-employed individuals) is required. A six-month waiting period from policy inception applies before this benefit can be used. Premiums paid during the waiver period will be refunded, and payments must resume at the end of the waiver period. Conditions apply, including that the unemployment must not result from retirement, resignation, stress-related issues, contract expiration, or anticipated layoffs known prior to the policy start date. This benefit must be exercised before the Life Assured reaches age 65. Please refer to the Product Summary for more details.
6. The policyholder may exercise the Guaranteed Extra Protection Option at any of the following key life stage events, without providing evidence of insurability:
 - a) the Life Assured marries, divorces or is widowed (i.e. any change of marital status of the Life Assured);

 - c) the Life Assured or the Life Assured's child enrolls into tertiary education;
