

SURRENDER / WITHDRAWAL FORM FOR INVESTMENT - LINKED POLICY (ILP)

POLICY NUMBER: _____

IMPORTANT NOTICE

Part 1: What you should know about early full/partial withdrawal of your investment-linked policy.

1. An insurance policy is intended to meet your long-term financial needs. Therefore, it may be disadvantageous for you to fully or partially withdraw a policy before its maturity date. Some disadvantages are:
 - You are losing valuable benefits from the policy:
 - You are losing the insurance protection offered by your policy;
 - You may not be able to achieve your intended financial objective;
 - This may result in losing the financial benefit accumulated over the years.
 - It may not be possible for you to obtain a similar level of protection on the same terms in the future.
 - You may not be insurable on standard terms;
 - You may have to pay a higher premium in view of higher age;
 - Withdrawing your insurance policy for another policy could result in loss of specific policy features due to changes in age or health.
2. **Additional Charges/Fees**
If you withdraw your investment-linked policy, fully or partially and then buy a new investment-linked policy or other investment product or top up your existing investment-linked policy or other investment product, you will incur new charges. These may include:
 - **Distribution Fee**
Commission is paid to Agents/Financial Adviser Representatives on all new insurance policies / investment products.
 - **Administration Charge**
There could be some sales charge/withdrawal fee that is charged for each new policy / investment product. The sales charge/withdrawal fee can be as high as 5% of your investment-linked fund. Hence, on a single premium investment of S\$10,000 a sales charge of S\$500 would be deducted.
 - **Policy Fee**
A policy fee is usually incurred for each policy.
3. **Fund Switching Facility**
When the fund you have bought is not meeting your initial or current investment objective, you may switch to other fund(s) offered by Singapore Life Ltd. at its bid price without incurring any charges (subject to changes at Singapore Life Ltd.'s discretion).
4. **Other Options**
You may also enquire or discuss with your Financial Adviser Representative whether there are other options available under your policy to meet your short term financial needs. Some options are:
 - Opt for a premium holiday if your policy has accumulated cash value. This allows you to temporarily stop paying premiums; or
 - Reduce the policy regular premiums (applicable only to regular premiums policies). This allows you to reduce your ongoing financial commitment to the policy.
5. **Seeking Advice From Your Financial Adviser Representative**
Therefore, it is important to seek advice from your Financial Adviser Representative before early full/partial withdrawal of your investment-linked policy or other investment product. Your Financial Adviser Representative can advise you on your options other than withdrawing the policy, explain the implications of each option and provide appropriate recommendations to you, taking into account your investment objectives, financial situation and particular needs.
