Important Notes & Sources:

1. Premium of S\$5.00 a day is based on the following coverage for a non-smoking female, age 28 (i.e. 29 Age Next Birthday):

	Annual Contribution	Cost per day (Annual Contribution/365)
I. Singlife Elite Term II	S\$351.25	S\$0.96
II. dollarDEX’s Regular Savings Plan	S\$1,200.00	S\$3.29*
III. Singlife Shield (Plan 1) and Singlife Cancer Cover Plus II	S\$130.00	S\$0.36
IV. Singlife Personal Accident Lite Plan (Occupation Class 1)	S\$142.62	S\$0.39
Total Cost*	S\$1,823.87	S\$5.00

- I. Singlife Elite Term II with coverage amount of S\$500,000, added TPD Advance Cover Plus III with coverage amount of S\$250,000 and CI Advance Cover Plus IV with coverage amount of S\$50,000, the coverage term for all benefits is 41 years; and
- II. dollarDEX’s Regular Savings Plan at the minimum amount of S\$100 per month; and
- III. Singlife Shield (Plan 1) and Singlife Cancer Cover Plus II; and
- IV. Singlife Personal Accident Lite Plan (Occupation Class 1).

The premiums for Singlife Elite Term II, TPD Advance Cover Plus III and CI Advance Cover Plus IV include the applicable premium discount as of 26 May 2025. The premium for Singlife Shield Plan 1 is payable by MediSave. Policyholders can use up to S\$300 in MediSave to pay for their Shield premium. Premiums exceeding this limit will have to be paid in cash. If there are insufficient funds in the designated MediSave account, cash payment will be required for the difference.

* For Singlife Smart Saver as a wealth accumulation option, the annual premium for Sum Assured of S\$30,000 with a Premium Term of 20 years and Policy Term of 25 years would be S\$1,364.60 (S\$3.74/day). This will bring the Total Cost to S\$1,988.47 (S\$5.45/day).

All numbers shown above are rounded to the nearest cent.

- 2. The life insurance coverage includes death and terminal illness.
- 3. Returns are not guaranteed and are subject to the performance of the underlying investment fund subscribed from dollarDEX.
- 4. TPD rider refers to TPD Advance Cover Plus III that covers for Total and Permanent Disability, and CI rider refers to CI Advance Cover Plus IV that covers for critical illnesses.
- 5. dollarDEX is owned by Navigator Investment Services Ltd, a subsidiary of Singapore Life Ltd.
- 6. S\$41,704 is the maturity payout illustrated based on the illustrated investment rate of return of 4.25% per annum. At illustrated investment rate of return of 3% per annum, the potential maturity payout is S\$35,500.
- 7. The Retrenchment Benefit is available once per policy for Life Assured aged 17 at next birthday or older, waives premiums on the basic policy and all supplementary benefits for up to 12 months after the Life Assured is involuntarily unemployed for three consecutive months. The application must be submitted within six months of unemployment, and proof of job termination or closure (for self-employed individuals) is required. A six-month waiting period from policy inception applies before this benefit can be used. Premiums paid during the waiver period will be refunded, and payments must resume at the end of the waiver period. Conditions apply, including that the unemployment must not result from retirement, resignation, stress-related issues, contract expiration, or anticipated layoffs known prior to the policy start date. This benefit must be exercised before the Life Assured reaches age 65.

The figures above serve as a case study example for Sofia and are intended for illustrative purposes only. It’s important to note that individual circumstances may vary, and these figures should not be interpreted as standard recommendations. To assess your own protection needs and gaps, we recommend utilising the Life Insurance Protection Calculator by LIA (Life Insurance Association Singapore) or speaking to a Financial Adviser Representative.
